Economic Impact (Stimulus) Payment Awareness Day

The IRS needs help getting the Economic Impact Payments (or "stimulus checks") into the hands of eligible low-income individuals and families. This event is focusing on individuals who:

- Did not file tax returns for 2018 or 2019
- Do not receive Social Security benefits
- Do not receive Veteran's Administration Benefits and
- Do not receive railroad retirement benefits

These individuals can obtain their Economic Impact (Stimulus) Payments by inputting their information into the "[Non-Filers: Enter Payment Info Here](#)" tool on the IRS website.

We will help you to use this tool to get your Economic Impact (Stimulus) Payment!
