

Manchester CT, First Responders - Healthy Workforce Announcement:

We are all hypervigilant to the need for social distancing and reducing the possible spread of COVID 19. During this time of self-isolation you might still have a need to call 9-1-1 for emergency assistance. To ensure our safety and yours, all of our first responders are being screened for COVID-19 symptoms, including taking their temperatures, practicing social distancing and keeping sick personnel at home. We are sending healthy first responders in response to your calls for assistance. Do not hesitate to call us for help in fear of the coronavirus.
