

Update from Manchester, CT Public Library:
3/16/2020 1:49PM

Due to the current Covid-19/Coronavirus outbreak, both library buildings are closed to the public beginning March 17, 2020. The 'return due dates' for all books and materials due soon will be automatically set ahead for a week after we finally reopen (that date is not yet determined). If you want, you can return items to the bookdrops at either building.

Manchester residents can use their library cards to download ebooks, audiobooks, magazines, or a small set of movies and TV shows from our three services of Hoopla, Overdrive/Libby, or Bookflix. Look below at the link for information. If you have trouble downloading items, you can try calling the library during weekday 'daytime' hours.

This website and our Facebook page (manchesterctlibrary) will be updated when we have an expected date to reopen.

For library related questions please contact the Manchester Public Library at **860.643.2471**
